Presenter Information

* 1. Presenter Contact Information

Full Name (First and Last) *

Company *

Address *

Address 2

City/Town *

State/Province *   -- select state --

ZIP/Postal Code *

Email Address *

Phone Number *

* 2. Biography in 150 words as it would potentially appear in a program and links to any examples of past speaking engagements:

* 3. Presentation Title:

* 3. Presentation Title:

* 4. Presentation Track:

◯ **Fleet Essentials & Beyond:**
We may all have different starting points and potentially different destinations. Finding the roadmap, products, employee development & training, tools and services that can get you to your specific destination is key to success. Here from industry experts and vendors on What's Hot in 2023.

◯ **Fleet Operations from Beginner to Pro:**
Continuous growth and improvement in our knowledge and execution of Fleet Operations is integral to success. Areas of interest include: Parts Management; Budgeting and Forecasting; Grant Submissions; Data Analytics; Safety; Telematics; and Employee Retention.

◯ **Alternative Fuels; What's Best for Your Fleet:**
There is and increasing need to look at the fuels of the future. Share new advances, evaluations, implementation success stories; lessons learned; grants.

* 5. Intended Audience:

☐ All Attendees

☐ Fleet Managers

☐ Fleet Technicians

☐ Fleet Support Staff

Insert a 200 word description focused on the benefits to attendees. It is crucial that your description appropriately describes the content of your presentation to avoid any confusion for participants. Write as you would have it appear in the conference program book, in third person present tense. Your 3 learning objectives should align with the 200 word description and give the participant knowledge of expected outcomes post attendance.

* 6. Program Overview:

* 7. Learning Objective 1:

* 8. Learning Objective 2:

* 9. Learning Objective 3:

* 10. Has this presentation been given at any other Fleet conference?

○ Yes

○ No

Thank you for your submission!

The 2023 FleetCon committee will contact you if additional information or input is needed to support the facilitation of robust programming for our FleetCon attendees.

All submissions will be reviewed and speakers will be notified of acceptance by March 1, 2023.

Thank you,
The 2023 FleetCon Conference Planning Team
